EDUCATION

BBS COLLEGE OF ENGINEERING AND TECHNOLOGY

BTECH (CSE)- **CGPA - 7.4**

2024 – 2028

Prayagraj, U.P

JAGAT TARAN GIRLS INTER COLLEGE

UP Board - PCM - **Percentage - 68.4%**

2023 – 2024

Prayagraj, U.P

COURSEWORK / SKILLS

- Data Structures & Algorithms
- Operating Systems
- Artificial Intelligence
- OOPS Concept
- Web Development
- Machine Learning
- Database Management System
- Data Analytics
- Web Technology

PROJECTS

Heavy Vehicle Risk Prediction&Safety Recommendation System 🔗 | Python,Streamlit,Scikit-learn**2026**

- Developed a Machine Learning-based Heavy Vehicle Risk Prediction System to assess driver safety and vehicle breakdown risks using driver, vehicle, and safety-related factors.
- Performed data preprocessing, exploratory data analysis (EDA), feature analysis, and model evaluation using Python, Pandas, Scikit-learn, and Matplotlib.
- Built a Streamlit-based application that provides risk assessment and preventive safety recommendations based on the identified risk factors.

Smart Air Pollution Prediction & Recommendation System 🔗 | Python, Streamlit, Scikit-learn**2026**

- Developed a Machine Learning-based AQI prediction system using Python, Scikit-learn, and Random Forest Regressor.
- Built an interactive Streamlit web application with real-time AQI prediction, dashboards, and Plotly visualizations.
- Performed data preprocessing, feature engineering, and generated personalized pollution reduction recommendations.

Crop Recommendation System 🔗 | Python, Streamlit, Scikit-learn

2026

- Developed a Machine Learning-based Crop Recommendation System using soil and environmental parameters.
- Performed data preprocessing, feature engineering, and model training using Pandas, NumPy, and Scikit-learn.
- Built a Streamlit application that provides real-time crop recommendations for data-driven farming decisions.

TECHNICAL SKILLS

Languages: Python, Java, C, SQL, HTML , CSS

Developer Tools: VS Code, Anaconda, Jupyter notebook, Git, GitHub

Libraries/Frameworks: Scikit-learn, Pandas, Numpy, Streamlit, Matplotlib, Seaborn

EXTRACURRICULAR

E I Systems Technologies 🔗

11/05/2025

BBS College of Engineering and Technology

- Participated in seminar titled ”Recent Trends in IT ”.

CERTIFICATIONS

- **CSS - One Roadmap**
- **Python - LetsUpgrade**
- **Python with Machine Learning - Softronic Automation**
- **SQL - SoloLearn**
- **Gen AI Powered Data Analytics Job Simulation - Tata Forage**
- **Power BI with AI - Unstop**
